## Action Taken Report For Students

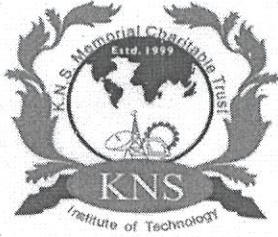

Stakeholder	Student
No. of Response	
Suggestions	Action Taken
More Institution-Industry collaboration is required	Institution organized for guest lectures, Webinars and industrial visits for students of various departments
Increases for more value added programs and certificate programs	More number of value added courses offered to all students to expand their expertise.
Increase the online NPTEL courses for students	Created awareness among the students to register for NPTEL online course.
Encourage the students to participate in yoga, sports, and other activities.	Programs like yoga, NSS, and sports are organized, and more students are participating.
An Industrial visit can be arranged every semester	Each department organizes industrial visits for all students to increase their exposure.
Students should be aware of competitive exams and training opportunities.	Preliminary awareness classes were conducted in the classroom itself.
